WALLBOX PC

Press "PC"

Your LOGIN
Your PASSWORD

Log on to ID: How do I log on to another computer?

Typically, your login is the first initial of your first name, followed by your full last name. Passwords are the client’s responsibility and must be reset by Media if forgotten.

Optional: insert USB drive into one of four available USB slots on the faceplate. Remove drive after logging off.

Optional: insert CD/DVD-ROM into drive, located on the faceplate of the PC WALLBOX. Eject disc when finished.

For best results, we recommend VLC for playback of CDs and DVDs.

Log off account when finished.

DVD/VCR

Open WALLBOX. Press "DVD/VCR"

Insert disc (Region 1/All, retail, NTSC) or tape (VHS, NTSC) into DVD/VCR.

Non-US standard or recorded media may require assistance from Media Equipment.

Check DVD/VCR deck for current playback mode. Press “DVD/VCR” or “DVD” or “VIDEO” to change playback mode.

Please return DVD/VCR remote to top of WALLBOX when finished.

Eject disc or tape from DVD/VCR unit when finished.

MEDIA SUPPORT

Media intercom phone (near WALLBOX): lift receiver to call, hang up when finished.

Or, call Media Equipment, via mobile, at 805-893-3549.

We are located at 1160 Kerr Hall.
